

## Launching Into the Deep

March 27, 2023

If you've read any of the recent faith-based articles, they challenge one to look beyond traditional or temporary perspectives. The very reality of matter has been challenged, suggesting reality is not ascertained from the five physical senses. See if you agree that the following Bible verses have not been trying to tell us this for some time, suggesting we go deep.

Psalms 92:5: "Oh Lord, how great are thy works! And thy thoughts are very deep."

I Corinthians 2:9 in part: "...as it is written, Eye hath not seen nor ear heard, neither have ye entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God."

Romans 11:33: "O the depth of the riches both of the wisdom and knowledge of God!"

Luke 5:4: "...he [Jesus] said unto Simon, launch out into the deep, and let down your nets for a draught."

Some have said Jesus was the most scientific man that ever trod the globe. "He plunged beneath the material surface of things and found the spiritual cause." MBE. So one may conclude that we can get to the truth of a matter only by plunging beneath the shallows of mortal beliefs of old. Or if you prefer, to rise above the testimony of the material senses.
